

THE NORTHLAND TIMES

SPEECH DAY Edition, April 2021 Issue

Since our merger in 2017, we have embarked on a journey of building a community imbued with strong values, bonded by quality relationships, in pursuit of learning and growth. It has been a journey full of struggles, but also filled with triumphs. Last year, our journey was disrupted unceremoniously by COVID-19. Indeed the whole world is still reeling from the effects of the pandemic.

Our theme this year, "REVITALISE!" marks a deliberate pause in our journey and prompts us to seek renewal for ourselves and our school. To Revitalise! is a call for us to invigorate ourselves and refocus on what is positive and good, so that our Northland spirit can burn more strongly and brightly as we continue our journey.
